* Price per room and per treatment is applicable at every operation (First, second, third treatment)

** Check of surrounding rooms

During the treatment all rooms will be checked surrounding the room in a cubic form. If our operators find new infestations, you will be informed directly and the room will be exclusively treated by team.

Accommodation costs shall be borne by the client. It is recommended to accommodate the WALDEMAR employees at your place. If the employees have to overnight elsewhere, we will charge these costs +10% handling fee.
